Dear Mr. Moore:

RE: Super - Insul Door Series 4500

This is further to our letter of February 28, 1985 concerning the above door for which you have requested acceptance for use in Registered Establishments operating under the Canada Meat Inspection Act and its Regulations.

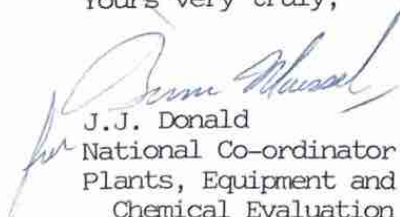

Based on the available information and the field report, no objection will be taken to the installation of Super - Insul Door Series 4500 in Registered Establishments operating under the Canada Meat Inspection Act.

This acceptance is not to be misconstrued as an endorsement for these or similar types of doors. Their use in Registered Establishments will depend upon their continued acceptability to all concerned.

Should any changes occur either in the construction or composition of the materials, then this acceptance shall be considered null and void.

Our inspection personnel are being advised of the above information under separate correspondence.

Yours very truly,

J.J. Donald
National Co-ordinator
Plants, Equipment and
Chemical Evaluation
