RE: **S191 SuperSeal Mfg. Ltd.**
 Woodbridge, Ontario, Canada
 09/05/97 f4 Series 8500 and Series 9200 Doors

This is in reference to your letter dated April 4, 1997, concerning the aforementioned doors for which you have requested acceptance for use in federally registered food establishments.

Based on the available information, no objection would be taken to the use of the above doors for use in registered establishments.

This acceptance is not to be misconstrued as an endorsement for this or similar doors, and their use in Registered Establishments will depend upon their continued acceptability to all concerned.

Should any changes occur in the chemical formulation of the aforementioned doors, then this acceptance will be considered **NULL** and **VOID**.

Our inspection personnel are being advised of the above under separate correspondence.

Yours truly,

J.J. Donald
Program Officer
Hygienic Environment
Food Inspection Directorate
